Homecoming

Laurie Beightol

Nancy Thomas

It was a beautiful fall Saturday afternoon on the day of October 10th for Franklin's 1981 Homecoming. Victory was desired by all and victory is exactly what the Knight's gridiron delivered. The final score, Knights 7, Rockets 0, resulted in Franklin's first Homecoming win since 1976. Laurie Beightol was crowned queen. Other candidates included Marcy Irons, Pam Horton, Michelle Shankel, Michele Matthews, and Nancy Thomas.

RETROSPECT

The memories which linger
From the years which have gone past
Are tucked within our minds
And for years to come will last.

The past is always with us
And its influence is deep,
The experiences which have taught us
Are lessons our hearts shall keep.

Our former joys and sorrows
Will always be preserved,
And shaping our present attitudes
Is the purpose they have served.

Though the closeness of childhood friends
Now seems nearly non-existent,
The dreams and goals they've nurtured
Are still presently persistent.

The values which we harbor
Will continue to endure.
As we face the world's uncertainty
In our struggle to mature.

Though the future seems so awesome
And self-doubt may cause distress,
We know we can succeed
With the knowledge we possess.

The past has formed a basis
On which we'll build our future visions
And armed with this foundation
We have the insight for great decisions.

Michele Watkins

TERRESA,

To a REAL SWEET girl, I've
known for quite awhile. Good luck
in the future, and good luck
with the guys. Stay the way
you are and you'll go far.

The Franklinite Staff would like to express their appreciation for those who have helped to make the 1981-1982 Franklinite a success: Mr. Gilhousen and his merchandising staff; Mr. Eichholtz and his "behind the scenes" advice; Tom Chaffee for his guidance throughout the year; Jack Mays for his contributions to the sports section; Mrs. Roberta Phipps and Mrs. Nancy Shilling for all their clerical help; and most of all, Mrs. Carol Orr, to whom we are indebted for undertaking such a tremendous "task" without really knowing what she was getting herself into.
